"These are truly turbulent times for our country and our community. Through it all, the Catawba County United Way has been there like a lighthouse to help show us the way to safety through a network of care and support.

Our work is focused on inspiring and building better lives and a thriving community. We do this by increasing educational opportunities, fostering financial stability and independence and improving healthcare access and understanding for all.

We need your support to keep accomplishing these goals and making a difference in our community. If we work together, nothing is impossible, and we will be able to lift our community and help people today and future generations to come. Please join me in this worthwhile mission by pledging and thank you for doing your part."
