The agency has a volunteer opportunity through its **Abriendo Puertas Tutoring Program**. Volunteers assist children with their schoolwork and reading skills in a supportive environment. **Spanish is not required** — anyone who enjoys working with kids and wants to make a positive impact is welcome to join.

- Tutors must be at least 16.
- If adult, we require a background check which we provide.
- Tutors may come as little as once each week no preparation needed. Children arrive at 4:30; tutoring begins at 5:00 pm and ends by 6 pm Monday through Thursday. I have attached a flyer, FAQ, and application form. The form can be emailed back to us or brought by at which time we will be able to give more information about the program.
