Yes

Describe your team's community service project. Who did it help and how?

As usual, we cleaned up trails (part of the Carolina Thread Trail) at the Murray's Mill Historic Site. This included removing debris (limbs, branches, rocks) from the trail, trimming overhanging or threatening branches, briars, vines, etc.

Why did you pick this project?

My teams have done this for years. I have known Stanly Stewart, a member of the Historical Association's Board of Directors, for nearly 30 years. He helps maintain the part of the trail used in cross country races at Murray's Mill.

How many students are on your team, and how many participated in the service project?
