Yes

Describe your team's community service project. Who did it help and how?

Shining Hope provides equine therapy services for those with a variety of disabilities as well as for Veterans and First Responders. They hold an annual trail run in order to raise funds necessary to provide scholarships for veterans they serve throughout the year. University Christian XC team cleared their 5K trail and marked it for Shining Hope to be able to hold their event on September 12, 2026.

Why did you pick this project?

University Christian has been in relationship with Shining Hope for 5 years and are deeply committed to this wonderful organization and its team. It is a good match for the team due to the trail run connection and it greatly helps Shining Hope fulfill its mission.

How many students are on your team, and how many participated in the service project?
